**Classic and Challenge Contract**  
**Parents and Players**

I understand that in return for accepting a position on a GCCSA Classic or Challenge team, I agree to the following:

1. This is a yearlong commitment and I will remain on the team for a period of one year. One year is defined as the period from team selection (May or June) to the completion of the NCYSA State Cup in May of the following year.
2. For this year, I am responsible for all team fees and GCCSA Club fees.
3. The coach determines playing time and field position. Any grievances must be addressed to the team manager or to the Director of Coaching. Grievances *shall not be* addressed directly to the coach.
4. **THERE IS NO GUARANTEE OF PLAYING TIME.**
